github : @yollotltamayo   Mobile : +(52) 55 5479 4025

EDUCATION

- **Faculty of Superior Studies Acatlan UNAM**   City of Mexico,Mexico
  Applied Mathematics and Computation CGPA: 9.02 out of 10 (3.60)   *Aug. 2018 - June 2022*

- **Plantel Fundacion Azteca**   City of Mexico,Mexico
  During high school i did a technical career focused in telecommunications CGPA :9.2 out of 10 (3.68)   *Aug. 2015 - June 2018*

EXPERIENCE

- **University**   UNAM FES Acatlan

  - **Algorithm Club**: I am member of the algorithm club in my university.

  - **Lecture Activities**: In many classes i have develop, some projects in QT,Python and JavaScript

PROJECTS

- **Grafos en Teoria**: A project based in Graph Theory , it displays the adjacency matrix and incidence matrix of a given graph (you can draw it) , click here to see it.
- **Online Judge Solutions**: Summary of distinct competitive-programming problems solutions ,treating topics like combinatorics,graph theory ,number theory , greedy, data structures, etc. Click here to check it out.
- **Numeric methods**: A webpage based in Django and Java script , about multiple Numerical Methods. Click here to check it out.

PROGRAMMING SKILLS

- **2 years :**: C++ , C ,QT.
- **1 year :**: JavaScript(SVG), Python ,Django.

TECHNOLOGIES I KNOW AND LOVE

- : Linux, git, github , latex, mysql , vim.

- : HTML5 , css3.

MY HANDLES:

- **Code Forces :**: yollotlfe

- **Stop Stalk:**: yollotltamayo
